Join us Friday, April 4th, for Our Annual Golf Classic

Last year, the Golf Classic was a great success! Alumni played golf, participated in raffles and the Silent Auction, had lunch from Outback Steak House, and reminisced about "the good old times at Pace". Most importantly, the Golf Classic helped raised funds for the Spartans-4-Spartans Program. We are hoping to add more alumni to the roster this year! For more information on sponsorship opportunities or to register to play, call Mrs. Elvita Reigosa at (305) 624-8534 ext 212 or e-mail ereigosa@pacehs.com.

Andres Novela, Class of 1995 , led our Pace students as "Troublemakers" during this year's Catholic Schools Week

This year, the theme that tied the week together at Pace was "troublemakers" — taken from the words of Pope Francis, who encouraged young people at World Youth Day to be "troublemakers" in order to spread the Good News. He encouraged youth to challenge society and its ideals and to take a stand against injustice. This week long event was organized by the school's theology teacher and campus minister, Andrés Novela.

Spartan Spotlight

Sara Mijares, Valedictorian of Class of 2003, continues to inspire others as much as she did when she attended Pace. We recently met up with Sara during our Career Day in January. For the last six years, she has been working towards her doctoral degree in Clinical-Community Psychology at the University of South Carolina, specializing in pediatric obesity research and practice. She recently moved back to Miami with her husband, John, and dog, Truman, so that she could complete a one year psychology

residency at the University of Miami Miller School of Medicine in the Department of Pediatrics. We are proud of you Sara! Go Spartans!

Career Day 2014

On February 6th, Pace High School hosted Career Day. Students had the opportunity to speak to 75 professionals from different career paths, more than half of which were alumni. Throughout the day, students were able to interact with lawyers, doctors, magazine editors, broadcast media specialists, veterinarians, and government employees in a classroom setting. The Career Day coordinator, Celia Rouco, and fellow staff members are already working diligently in planning next year's Career Day!
